MYSTERIO 5.0 RULE BOOK

PAPER PRESENTATION:

EVENT OVERVIEW:

- The Technical Paper Presentation is a platform for students to showcase their research, analytical skills, and innovative ideas through the presentation of well-structured technical papers.
- The objective is to effectively communicate complex technical information, demonstrate a deep understanding of the subject, and engage in meaningful discussions with the judges and audience.
- Clarity, originality, and effective presentation are key to success.

ELIGIBILITY:

- Team can have maximum of 2 participants.
- No participants can be part of more than one team.
- Participants must register before the deadline.

PAPER SUBMISSION GUIDELINES:

- Participants must bring the hard copy of the paper and have to submit it to the coordinators prior to the presentation.
- Format: IEEE, Harvard.
- Length: 6-18 pages (including references, tables, and figures).

- Font & Spacing: Times New Roman, 12 pt, 1.5 line spacing.
- Presentations must be presented in PPT format.
- Papers should include:

i.Title

ii. Author(s) details (Name, Roll Number, branch) and Abstract (250-300 words)

Introduction, Methodology, Results, Conclusion, References.

PRESENTATION GUIDELINES:

- Time limit: 8 (presentation) + 2 (Interaction session) minutes.
- Slides: PowerPoint (5-9 slides).
- Presentation should include:
 1. Title Slide
 2. Introduction & Problem Statement
 3. Research/Analysis
 4. Findings & Results
 5. Conclusion & Future Scope
 6. References
- **NOTE:** Presentations must be original by the participants. The use of AI-generated slides or automated presentation tools (e.g., Gamma, Tome, ChatGPT generated PPTs) is strictly prohibited. Any violation will lead to disqualification.

RULES AND REGULATIONS:

- Participants must adhere to the paper submission and presentation guidelines.

- Presentations must be delivered within the allotted time.
- Participants must be prepared to answer questions from the judges.
- Participants must maintain professional conduct.
- The use of AI generated content for the creation of the presentation is prohibited.

JUDGING CRITERIA:

- Technical Content (40%): Originality, Methodology, Results.
- Presentation Skills (20%): Clarity, Organization, Delivery.
- Q&A Session (10%): Understanding, Responsiveness.
- Paper Quality (20%): Structure, Grammar, Citations.
- Overall adherence to the rules: 10%.
